Violations of these rules can result in revocation of Saxon Harbor privileges. Issuance of a slip rental permit is conditional upon compliance with these ordinances, rules and regulations.
3. Within this document, the phrase *Iron County Forestry or ICF* is defined as the Forest Administrator, Forestry Department Employees and/or Marina Attendants as employed by Iron County Forestry & Parks Department.

Renewal applications shall be sent to the address shown on the last prior application or such other address furnished in writing to Iron County Forestry prior to the renewal mailing. 4. Slip permits shall be issued to a specific individual owner or lessee of a vessel for a specific slip. Only the vessel listed on the permit may use the slip assigned unless a different vessel has been authorized under these rules. Applications from corporate, partnership or other entities shall not be accepted unless a responsible person is designated on the permit application.
5. Slip assignments will be made by Iron County Forestry. Mooring in a slip other than that assigned is prohibited. Reassignment requests must be made to ICF. Consideration will be given to individual with disabilities or physical impairments when assigning appropriate slips. NOTE: Operator inexperience is not a valid reason for special consideration.

1. Slips may be rented on an annual basis. The fees as established for each year must be paid in full by April 1st of each year for slip renewals. Initial deposits must be remanded to the Forestry Dept. with the Slip Application by the indicated due date. Failure to make timely payments may result in the loss of your rental permit.

Transfer of ownership in a tenant vessel to anyone other than a current spouse or child as described in Rule 16, below, shall be treated as a sale of the vessel and result in termination of the slip rental agreement, with regard to that vessel and the new owner thereof, at the end of the term. A seller of a tenant vessel may retain his/her slip if, during the same rental term in which said vessel was conveyed, seller owns a replacement vessel, provided ownership of said vessel is the appropriate size for the current boat slip. 19. All slip rental tenants and slip applicants shall notify the Iron County Forestry of any change in address or telephone number, in writing, within ten (10) days of the change.
